

Student mobility for studies: SMS

**Rules for preliminary recruitment for foreign study mobilities
long-term and short-term mobilities
project Erasmus+ KA131 2025-2027
Annex no 1**

Due to receiving new guidelines from the Erasmus+ National Agency, the following points are introduced into the Rules:

- 1) Point 34 is replaced with the following:
The group of persons with fewer opportunities includes:
 - a. students receiving from NCU a maintenance (social) grant at the time of recruitment or students who present a decision on the award of a maintenance (social) grant by the time of signing the individual agreement (acquisition of a maintenance (social) grant after the completion of the Erasmus+ recruitment process),
 - b. students or doctoral students with a disability certificate,
 - c. students or doctoral students who have children up to the age of 8 (in the year of SMS mobility implementation),
 - d. students or doctoral students who either hold refugee status or have been granted asylum in the territory of the Republic of Poland.

- 2) Point 35 is replaced with the following:
Regarding long-term mobilities – students/doctoral students qualifying as the persons with the so-called fewer opportunities will receive an additional 250 EUR/month as an increase in the basic rate (supplement for students with fewer opportunities).

- 3) Point 37 is replaced with the following:
Regarding short-term mobilities - the allowance for students/doctoral students qualifying as persons with the so-called fewer opportunities shall be:
 - a. **100 EUR/mobility** - for mobilities from 5 to 14 days in total
or
 - b. **150 EUR/mobility** - for mobilities from 15 to 30 days in total.

- 4) Point 38 is replaced with the following:
In order to receive the allowance for the students qualifying as the persons with the so-called fewer opportunities, it is necessary to submit to the DIPEM/CM DRP one of the following documents:
 - a. a copy of the decision on awarding a maintenance (social) grant which includes the month of a given student's recruitment. Confirmations of being awarded a maintenance (social) grant shall also be accepted after a given student's recruitment, provided that the decision is delivered to DIPEM/CM DRP before signing the individual agreement,
and/or
 - b. a declaration confirming holding a disability certificate, along with the certificate (for verification), valid for the entire period of physical mobility. In the case where the validity of the certificate expires during the physical mobility – the granting of the allowance will require the approval of the Erasmus+ National Agency,
 - c. a declaration confirming that the student/doctoral student has a child up to the age of 8, along with the child's birth certificate (for verification),
 - d. a declaration confirming the granted refugee status/asylum in the territory of the Republic of Poland, along with a residence permit/decision of the Head of the Office for Foreigners (for verification).

- 5) Point 40 is replaced with the following:
A student/a doctoral student may receive only one supplement based on only one criterion confirming their belonging to the group of persons with so-called fewer opportunities. Supplements for students/doctoral students with fewer opportunities are not cumulative.

6) Point 53 is replaced with the following:

All mobility participants are obliged to have a document authorizing them to receive health care services on the territory of the country of stay as well as medical expenses insurance, accident insurance and third-party liability insurance for the duration of the travel and stay at the host institution.

Students/doctoral students shall submit a declaration regarding their health insurance coverage. The declaration template is available on the website: <https://www.umk.pl/wspolpraca/erasmus-plus-2021-2027/studenci-studia/dokumenty/>.

Delivering/sending to DIPEM/CM DRP a declaration regarding their insurance coverage by the student is a condition for the payment of the grant.
