

DISCOVER CONNECT BY YERUN

OUR INNOVATIVE DIGITAL TOOL FOR RESEARCH COLLABORATION AND SUPPORT

Since 2016, YERUN has supported research collaborations among our members. We are delighted to introduce CONNECT by YERUN, a cutting-edge platform designed to support researchers and research management offices by enhancing collaboration and networking, all based on open science principles.

 **LAUNCH** 

28 JUNE
10:00-12:00 CEST

Agenda:

- Overview and key features.
- Hands-on navigation demonstration.
- Use cases: YERUN Research Mobility Awards, EU funding opportunities, discovering researchers, etc.

Target Audience:

All interested **researchers** from YERUN

KEY FEATURES OF CONNECT BY YERUN:

DYNAMIC COLLABORATION INSIGHT:

Continuously updated overview of ongoing research strengths and collaborations across YERUN members.

COMPREHENSIVE DATA ACCESS:

Historical and current data on EU project participation and publications, enabling quick mapping of expertise within the YERUN network.

MATCHMAKING TOOL:

Simplified process for researchers to map YERUN researchers and to find potential partners for funding or initiatives (e.g. YERUN Research Mobility awards).

EU CALLS INTEGRATION:

Access to open and upcoming EU calls, with automated matching to relevant YERUN researchers, helping in long-term funding strategies
